

Propane Bobtail Driver

Arrowhead LP Gas in Craig

Full Time Driving Position requires Class B CDL with hazmat and air brakes, and current medical card. Applicant must be Drug free and safety minded. This is a smoke-free vehicle and facility.

(Assistance for license upgrades to meet these requirements might be available.)

Duties to include:

- load bobtail from storage tank
- perform deliveries in all weather conditions
- perform leak checks and light pilot lights
- complete daily pre-trip inspections and end-of-shift reports

Physical requirements include:

- able to detect the odor of odorized propane
- able to pull a 50 pound hose a distance of 125', over rough and uneven terrain
- able to install and remove tire chains when required
- able to push or pull tanks weighing 300 pounds using a hand truck or dolly
- frequent bending and twisting in small spaces, stooping and kneeling
- safely walking on un-even and sometimes slippery, wet conditions

Position may include fill-in duties for other positions at this facility, such as warehouse forklift operations, box truck deliveries, flatbed/crane tank setting operations, and tank monitor or vehicle maintenance, as time and skills allow. We appreciate and reward well-rounded team players.

Employee benefits include:

- 401K (with up to 6% match); Health, Dental, & Life Insurance; competitive Salary, Paid Time off (PTO), company discounts;
- Good end-of-day feelings for all the customers you have helped;
- Lots of Fresh Air and Exercise!
